Board Minutes

July 12, 2014

The MHF Club of Ohio met on Saturday, July 12, 2014 during the club's annual tractor show held in Ashland, Ohio. Present: Roger Otermat, Chet McNabb, Jim Dawson, Jeff Noah, Joel Javersak, Jean Javersak and Lorri Wright. Absent: Luke Swetland, Steve Wright, Jim Jones, Violet Helman and Jeff Miller

The meeting was called to order by Chairman Roger Otermat.

The Secretary's report was unavailable.

Treasurer's report: As of May 23, 2014 there was a balance of \$6,271.03 in the club's checking account.

There was no banquet committee this year and would be no table decorations or door prizes. Lorri reported there would be a lower attendance at this years banquet also.

OLD BUSINESS

The summer picnic will be held August 16, 2014 at the Swetland Farm. Chet to contact Luke Swetland for details on the summer picnic.

The Farm Science Review will be held September 16 thru September 18, 2014 at London, Ohio. Lorri reported she needs to contact the tent company. The club's tent for this year has been moved and there is some concern over the location. Jeff Noah reported generators can be used and there should be no security issues. Jeff N. made a motion to have Lorri get nuts and containers for the FSR, seconded by Chet, motion passed.

NEW BUSINESS

Discussion was held concerning getting flags to mark

the new location of the FSR tent. Chet said he should have some and will contact other club members that will be there to see if they have any.

Roger informed the board next year's show at Plain City is the last one scheduled. We need to start planning the site selection for the next several year's shows. Jeff Noah mentioned Fort Laramie. He will ask Jeff Miller to contact their club. Roger said he would mention it at the banquet so that if any members had any ideas or knew of any shows that would like to host us, they could give them to the board

The Christmas party will be held on December 13, 2014 in Baltimore, Ohio at the same location as last year's party. It will be hosted by the Bob Wright family.

Newsletter editor Jim Dawson mentioned that there might be times when the newsletter will cost more to print due to increased pages when there is more news or ads. There was no objection to this.

Lorri Wright made a motion to adjourn the meeting, seconded by Jim Dawson, motion passed. Meeting adjourned.

Respectfully submitted

Jean Javersak

Substitute secretary

See you there

Celebrating 5 years of what started out as a one day picnic with a few antique cars and numerous Massey Harris tractors has blossomed into a 2 day show. The pictures will give you an overview of the events, but the tractor/hay ride thru the orchards was probably the most fun for a lot of people. Just to give you a few statistics, the chicken barbecue on Friday fed 103 guests prepared by Chet McNabb of Ohio. The pig roast on Saturday fed 117. There were 16 antique cars, 1 race car, and 4 golf carts. There was a MF 35 combine, 2 pedal tractors, 3 large wagons, and the breakout of tractors is as follows: Ford (3); John Deere (7); Farmall (3); Allis Chalmers (1); Massey Harris (7); and 38 Massey Harris tractors on display by Chris Kessel. There were also garden tractors: John Deere (1); MF (3) and Case (1). There was a total of 91 tractors, cars, etc. Guest were from PA, Ohio, New Jersey, Maryland and Canada.

If you have ever put on a show at your house you know what goes into the making of a good show. To begin with, there is the landscaping of the property, setting up tents, canopies, tables, chairs, in addition to getting out all the tractors and getting them running. Special thanks to Brian & Joey Avery, Shawn & Caden Kessel, Carl Morrison (Ohio), Chet McNabb (Ohio), Leonard Tate, Terry Kessel, Paul Starner and Chris Kessel for all the many hours spent getting ready and then again for the tear down.

The following is a breakout of Chris's tractor that were on display. Numerous others were still in the garages. Pony(2); Gray Pony (1); Pacer (1); 20 (2); 81 (2); 22 (1); Colt (1); 101 JR (6); 30 (2); 101 SR (2); 33 (3); 44-6 (1); 44 (2); 44 Propane (1); 44 Special (1); 333 (2); 333 Diesel (1); 333 propane(1); 444 (1); 444 Propane (1); I-244 US Air Force Sweeper (1); I-162 US Air Force Corp of Eng. Industrial (1); I-162 US Army (1), and MF 135 Orchard (1).

The only casualty of the picnic. Shown is a Ford towing a Dodge. What's up with that? Unfortunately, Chet McNabb's transmission on his pick-up went out approx 45 miles away and had to be trailered back to the site of the picnic. We did not care that Chet had to stay 3 extra days with us. His friend Doug came in from Ohio and towed his trailer home, but his truck visited with us a few days more while Chris & Chet replaced the transmission.
