MHF Club of Ohio

December 8, 2018 Board Meeting

The Massey Harris Club of Ohio met at the Christ United Methodist Church in Baltimore, Ohio for the annual Christmas Party. Hosted by the Bob and Lori Wright family.

Present for the meeting were: Chet McNabb, Jim Dawson, Roger Otermat, Lori Wright. Jean Javersak, Dale Fredritz, Jeff Miller, Steve Wright and Violet Helman. Absent was Jeff Noah, Joel Javersak and Luke Swetland.

Roger called the meeting to order accepting the the minutes from the last meeting as presented in the newsletter. The treasurer's report was presented by Lori Wright. As of 10-10-18 she reported a checkbook balance of \$9,748.64 (includes dues and raffle tickets). Jim reported the raffle brought in \$11,926.

Jean reported we currently have 127 paid members.

Everyone that attended the Farm Science Review feels that it was greatly improved.

New business: Future shows were discussed. Dover is scheduled for August 16, 17 & 18, 2019. We are still looking for someone to host the summer picnic.

Jim made a motion seconded by Lori to give Chet McNabb a life-time membership. He has contributed greatly to the club over the years in many ways (cooking the chicken for our picnics, and restoring the raffle tractor). We will reimburse Chet \$500 for his expenses on the tractor.

Chet was to ask Harry Noah to fill in for Jeff's unexpired term (1 year). Other members will be approached regarding serving on the board. The election will be held at the Spring Meeting at the Der Dutchman in Plain City, on March 30.

Lori made a motion to adjourn seconded by Jean. Motion passed.

Respectfully submitted,
Violet Helman, secretary

Massey Harris Ferguson Club of Ohio is Offering a New Membership Choice

At the board of directors meeting at the state show the board decided to offer a new membership choice to members if they desire. This choice would eliminate a mailed newsletter and would be replaced with the newsletter being e-mailed to them. Reasons for this additional choice are:

- Meet the changing lifestyle needs of younger generations.
- Reduce the cost of membership to \$5.00 for emailed newsletters.
- Increase treasury by eliminating newsletter printing and mailing costs. Current newsletter cost per year is \$14.00 per member.

If you like receiving a printed newsletter, nothing changes for you! Your dues will continue to be \$15.00 per year and the

newsletter will continue to come. Just choose traditional membership on the membership form

Requirements for Electronic membership

- Good e-mail address.
- Good internet connection (No dial up)
- Ability to open a pdf file on your computer or smart phone. If you've never heard of a pdf then please don't get the electronic membership

Advantages of electronic membership

1. Cheaper dues
2. Newsletter will come 7-10 days faster. The same day the printer gets it.
3. Pictures or items of interest can be printed with better quality

Disadvantages of electronic membership

1. Forms for banquets or dues must be printed
2. Must have some computer knowledge
3. Must have a good internet connection

Board Candidate Biography's for March 30th Board of Directors Election

I am **Ronald Krupp**, of Fostoria, Ohio. I am running for the Board of Directors of the MHFCO. I worked at Autolite in Fostoria for forty years. I've lived in a rural community all my life. My uncle had Allis Chalmers equipment. A few years ago, I purchased a Massey Harris 44. Since then I have joined the MHFCO and attended many of the club's meetings and events. Having met many of the club's members and enjoyed their activities, I would be willing to serve on the Board of Directors

I am **Chet McNabb** and have been a member of the Massey Harris Ferguson club of Ohio for 15 years. My brothers and I grew up on a family farm in southeastern Ohio making hay, and using Massey Harris Tractors. With just retiring from ODOT If the money and my health holds out I will making a lot of hay, restoring tractors, helping my Massey friends and going to a lot more shows. If reelected I will do my best as a board member.

I am **Kevin Schwochow** of Fremont, Ohio. I am running for the board of Directors of the MHFCO. I work for a company that repairs HVAC units. Living in a rural area I have always been interested in farming and tractors. My son works for a farmer with many pieces of Massey equipment. The farmer is my neighbor so seeing his red equipment has rubbed off on me. I have been a club member for several years and have enjoyed the club activities. Last year I hosted the club picnic and summer show banquet. What a great time!

Luke Swetland has been an active member of the Massey Harris Ferguson Club of Ohio and has been partially responsible for recent showing of the family's equipment. He became interested in the club through his Grandmother Esther and his Grandfather the late Robert Swetland, one of our founding members.

Loss of our Friend CAROL FRANCIS

Predeceased by her son Scott Francis (2013), grandson Jacob Lamont (1999), parents Gordon and Marjorie Mogk, sister-in-law Linda Francis and nephew Chad Reis.
