

WORDS FROM THE PRESIDENT

Greetings Massey Collectors. Here it is February 2013 already! Hope everyone had a Merry Christmas and a Happy New Year. Looking forward to warmer weather and tractor shows.

Reminder to pay your dues. You might have seen that the dues in the Massey Clipper were listed as \$35. This amount is incorrect. It is only \$30. If you paid \$35, the extra \$5 will be applied towards next year's dues. These can be sent Ron Albers, Sr.

On a sad note, we lost one of our Massey Family members. John Kimpan of Oswego, IL, passed away January 11, 2013. Our sympathies go out to his family.

Hope your Massey project is coming along nicely. For this year, my project will be red but not a Massey. I'm working on a 1937 Diamond T Fire truck.

Be sure you have your calendars marked for the MCI Spring Meeting on March 23, 2013. It is the election for a new president. We will meet in Leroy, IL at Jack's Café (Exit 149 off I74). We usually eat about 11:30-11:45 with the meeting to follow. You are responsible for the cost of your meal.

Massey's collect the nicest people...you MCI members. Thank you for allowing me to serve as your president. I've really enjoyed my term as president.

Don Madlem

MASSEY MEMORIES

BY DON MADLEM

Here is my dad, Bill Madlem, jr, on my 1930 GP tractor when I bought back in 1998 and my grandson Ben, on the same tractor 15 years later. Ben still drives this tractor in parades.

This one is from 1952. It's of my Grandpa WT Madlem, Sr, Charlie Tucker, and my dad, Bill Madlem, jr. They are working on my dad's Massey Clipper combine.

This one is from the early-mid 1950's. I'm about 10 and helping my dad, Bill Madlem jr, work on his 1952 44 Special. When he got a new tractor, he put straight pipes on and M & W pistons in it.

BIG BOY TOY'S BY ROGER HERREN

Here are a couple of my Big Boy's Toy's. The big tractor is a 1954 Massey Harris 44 Special. The engine was beyond repair so I installed a Chrysler 318 Industrial. The tractor is a nice conversation piece at tractor shows and is a joy to drive. I have plowed and spread manure with the tractor and it performs good.

The half scale 44 was built this past winter, using a Geo Metro motor, half ton pickup transmission-older model with floor shift and half ton narrowed rear end. Grill, hood and fenders are a combination of cut down full size and shop built.
